H-ISAC Summit Scholarship

H-ISAC is proud to offer new scholarships to our Bi-Annual Summits

This is a great opportunity for those with 2 years of experience in Risk Management, IT, or Security Operations in a healthcare organization to attend one of our H-ISAC Summits for top rate networking and information sharing. Applicants should be employed by a non-profit healthcare organization with an annual revenue under \$1B. The Spring Summit deadline was April first but please refer someone for a scholarship to attend our Fall Summit in November. Full criteria and applications are on the Summit section of our website.

H-ISAC WORKING GROUP SPOTLIGHT

Third Party Risk Governance (TPRG)

The TPRG working group aims to evolve the group's collective capabilities and to implement a best-in-class third party risk management program. The group meets virtually every other Tuesday at 1:00 PM ET.

Focus points include:

- ⇒ Share best practices to mitigate risks posed by third parties.
- ⇒ Improve efficiency and effectiveness of third party risk management operating components.
- ⇒ Enhance greater understanding of a third party's information security program maturity through shared experiences.
- ⇒ Explore opportunities of sharing risk tactics or risk areas to build a collective risk/threat landscape
