

H-ISAC Announces New Board for 2018-2019

Health Information Sharing and Analysis Center (H-ISAC) is pleased to announce the results of its 2018-2019 Board of Directors election.

SAN ANTONIO, Texas. November 27, 2018 –Health Information Sharing and Analysis Center (H-ISAC), a global, member-driven non-profit that is the health and public health (HPH) sector’s trusted community for sharing cyber and physical security information, announced the results of its recently held Board elections at the H-ISAC Fall “Never Stand Alone” Summit.

The H-ISAC Board of Directors serves in a voluntary capacity to provide strategic governance and direction for the H-ISAC community based upon their experience and expertise as security leaders in healthcare organizations within the Health and Public Health (HPH) sector. The Board members reflect a diverse mix of healthcare delivery stakeholders in various subsectors of the industry. Directors serve a 3-year term.

In addition, Jim Routh, CISM, CSSLP, Chief Security Officer Aetna, Inc., who served as Board Chair since 2015, is stepping down this year but will continue to serve on the Board in an advisory capacity as Immediate Past Chair. Brian Cincera, Vice President, Pfizer, was elected by the Board to serve as the new Board Chair to replace outgoing Jim Routh. Denise Anderson, H-ISAC President and CEO stated, “Jim Routh has been an instrumental leader for H-ISAC and the HPH sector. We are thankful for the time and commitment he has given to H-ISAC. I’m looking forward to his role on the Board as an advisor and also to working with Brian Cincera and the new Board members who bring a wealth of knowledge and experience to the table.”
